

VERDANT SOLARIS INDUSTRIES, INC.

Reports Preliminary, Unaudited Fourth-Quarter and Full-Year 2023 Results

FOR IMMEDIATE RELEASE — February 6, 2024 — Tempe, AZ

Verdant Solaris Industries, Inc. (NYSE: VRSL) today reported preliminary, unaudited financial results for the fourth quarter and full year ended December 31, 2023. The figures contained in this release are preliminary, are subject to completion of the Company's customary year-end closing and audit procedures by its independent registered public accounting firm, and are not intended to be a substitute for the audited Consolidated Financial Statements to be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2023. Final audited figures may differ materially from the preliminary figures presented herein.

Highlights of Preliminary Full-Year 2023 Results

- Preliminary net sales of approximately \$6.98 billion, up about 16.7% year-over-year.
- Preliminary GAAP operating income of approximately \$774 million.
- Preliminary GAAP diluted EPS of approximately \$5.43.
- Preliminary 2023 capital investment of approximately \$1.08 billion.
- Module production reached 14.1 GW; battery shipments reached 11.2 GWh.

Preliminary Full-Year 2023 Segment Results (Unaudited)

Segment (USD millions, preliminary)	Net Sales	Operating Income	Capital Investment
Photovoltaic Manufacturing	3,278.4	358.7	484.6
Energy Storage Systems	2,361.5	236.8	310.2
Grid Integration Services	741.2	113.9	97.8
Renewable Project Development	598.7	82.4	146.7
Corporate / Other	—	(48.2)	24.1
Total	6,979.8	743.6	1,063.4

Capital investment shown above represents preliminary, unaudited internal management estimates of cash and accrued amounts invested in property, plant and equipment during 2023, prior to completion of the audit, inter-segment eliminations, and final classification between Property, Plant and Equipment and other balance sheet categories. Final segment capital-expenditure figures will be presented in the Segment Information footnote of the Company's 2023 Annual Report on Form 10-K when filed.

Use of Non-GAAP and Preliminary Financial Information

This release contains preliminary financial measures, which are subject to revision upon completion of the year-end audit. The Company does not undertake to update the preliminary figures in this release. Investors are cautioned not to place undue reliance on the figures presented herein.
